

Safety Officer – Permanent Employment

Location: Cabuyao, Laguna, Philippines

Duration: 6 months' probation period / permanent employment

Company description:

Founded in 2016, REurasia Management Corporation is a Philippines based company involved in Renewable Energies. We are focusing our efforts toward socially responsible energies with the biggest impact on our community.

Created from a Joint Venture with Full Advantage Philippines and international EPC professionals, REurasia is able to Develop, Implement and Operate Power Plants fueled with Biomass and/or Municipal Waste. Building Power Plants from the ground up, our services include: Project Feasibility Study, Permitting & Licensing, Equity Financing, Debt Financing, Technical Bidding Coordination, Project Management & Owner Engineering and Operation on a broad range of technologies and suppliers.

Reurasia is supporting the local community's best interest by developing and supporting green and sustainable projects in the Philippines.

Among other, our team has a proven expertise over South East Asia (India, Thailand and Philippines) and accumulates more than 182 MW generating power capacity field experience of Renewable Energy Power Plants.

Specialized in Biomass, Solar and Waste to Energy Power Plants, our team guides clients through all the life of their project including the development, the construction and operation.

Job description:

We are looking for an experienced **Safety Officer** to oversee and ensure compliance with safety, health, and environmental regulations during the **operation and maintenance of an 18TPH Biomass Boiler**. The Safety Officer will be responsible for implementing and monitoring safety procedures, conducting risk assessments, and ensuring adherence to industry standards and government regulations.

He/she will coordinate with different governmental entities related to **safety, health, and the environment**, conduct regular site inspections, lead safety training sessions, and consolidate periodic reports from the field.
